Museum To Sponsor Christmas Gift Sale

Beginning December 1, a gift sale will be held at 8-15. The purpose of this sale will be to give people a chance to exchange products made in Manzanar by selling their own and buying that of others.

The Co-op will handle sales, and no limitations to the types and number of articles allowed in this exhibit will be made.

Residents are urged to enter their products in the exhibit, as, with the coming of Christmas, there is now a growing demand for Manzanar-made gift articles, stated Kiyotsugu Tsuchiya, director of the Visual Education Museum.
